Bracken County High School Kicks-Off the 2017 Anthony Muñoz Foundation Service Challenge
Students opening their 24/7 “Blessings for Bracken” Box

CINCINNATI, OH (October 20, 2017) – Bracken County has come together as a community to participate in the Anthony Muñoz Foundation Service Challenge. On Tuesday, October 24th at 4 p.m., they will open their first ever “Blessings for Bracken” Box located outside their school to house items needed by those in the community.

This 24/7 Box will contain non-perishable food items, toiletries, and baby items and is open anonymously to whomever may need it. Bracken County students who are participating in the annual Anthony Muñoz Service Challenge kick-started this project. Bracken County was one of 94 schools called to action around the Tri-State, and was one of those schools to accept the challenge.

This project was inspired by a local neighboring community who saw the benefits of a “Blessings Box” in their area. Tracy Florer, a teacher at Bracken County High School, stated that children are a focus in their community. She said the “number has risen to 3 out of 5” children in Bracken County who do not receive enough to eat.

Bracken County is hosting a “Stock the Box” ceremony where all in the community are welcome to stop by to donate items. If you would like to donate any items or gift cards, contact Tracy Florer at tracy.florer@bracken.kyschools.us or 606-735-3153.

The Service Challenge is the chance for high school students throughout the Tri-State to complete a project based off the needs in their community. For 16 years, students have been called to action and more than 100 schools have participated. For more information, visit <http://www.munozfoundation.org/>.
