Whole Foods Market Mason will hold a 5% Community Giving Day on Tuesday, to benefit the Anthony Muñoz Foundation.

(October 31, 2014) Mason, OH – The grocery store, known for natural and organic foods, will donate 5% of all net sales on November 11, 2014 to benefit the Anthony Muñoz Foundation. Whole Foods Market Mason is located at 5805 Deerfield Blvd. and is open from 8:00am to 10:00pm every day.

The Anthony Muñoz Foundation will host an informational table inside Whole Foods Market Mason from 11:00am to 7:00pm. Grilled burgers and hot dogs will be available for purchase from 11:00am to 2:00pm. From 6:00pm to 7:00pm, Anthony Muñoz will be grilling up The Anthony Muñoz Burger, a Whole Foods Market Mason exclusive made with Anthony's favorite Whole Foods Market's made in-house chicken sausage. Other events include Tuesdays on Tap, a weekly beer tasting that is from 6:00pm to 8:00pm--six beers, six bites for only six bucks—and \$500 in Whole Foods Market gift cards, given away to lucky shoppers throughout the day.

“The Anthony Muñoz Foundation and Whole Foods share a similar mission in supporting and giving back locally. I’m excited that this partnership has developed and given the Mason community the opportunity to make a difference in the lives of our area youth. Whole Foods has shown that they aren’t just focused on healthy foods and outstanding service. By providing non-profits like ourselves this experience, we are able to share our mission and continue to make an impact in our community.”- Anthony Muñoz

Whole Foods Market created 5% Days to give back to local communities by providing support to nonprofit organizations whose programs directly benefit the communities surrounding Whole Foods Market stores. 5% Days are held quarterly in each store. On this special day, selected organizations receive 5% of a store's total pretax sales for that day. The success of a 5% Day depends largely on the participation and commitment of the community! Please help Whole Foods Market Mason support the Anthony Muñoz Foundation on November 11, 2014.

Established as a non-profit organization in April of 2002, the Anthony Muñoz Foundation's mission is to engage the Tri-State region to impact youth mentally, physically, and spiritually. The Anthony Muñoz Foundation reaches out to underprivileged youth to recognize, and reward those who excel in all phases of life. It's through the foundation's eight impact programs, which include scholarship opportunities, character camps, a tutoring program and a leadership seminar, that thousands of our area youth are empowered.
