

# GET MAD

## SERVICE CHALLENGE

There's plenty of things to **GET MAD** about in our community. You can **GET MAD** about poverty and homelessness. You can **GET MAD** about trash in your neighborhood park. You can **GET MAD** about drop out rates, teen pregnancy or lack of college access. You can **GET MAD** about lots of things in the community, but you know what? It's time to turn that **ANGER INTO ACTION**. You're sitting at this seminar and you're reading this information...that means only one thing, **YOU'RE A LEADER!** And it is time for you to lead. You had the opportunity to talk about **WHAT MADE YOU MAD?** about your community and you brainstormed **IDEAS TO MAKE IT BETTER**. When you leave here it's time to take those ideas and **TURN THEM INTO ACTION**.
