ANTHONY MUÑOZ FOUNDATION QUICK FACTS

THE ANTHONY MUÑOZ FOUNDATION OVERVIEW

A non-profit whose mission is to engage the Tri-State region to impact youth mentally, physically, and spiritually through our seven impact programs.

Committed to nurturing the growth of all Tri-State youth and especially vulnerable, at-risk populations, the Anthony Muñoz Foundation has created unique opportunities that appeal to students of all ages, educational, cultural, and economic backgrounds. Through deploying a life-changing college scholarship fund program, three high school education and recognition programs, three empowering football camps, and our Whiz Kids tutoring program, the Anthony Muñoz Foundation is making a tangible difference in the lives of youth across the Tri-State.

Anthony strongly feels that youth need to be encouraged and inspired, as well as recognized and rewarded for their accomplishments. Anthony and our organization want the youth of our region to know that they have value. No matter the odds, they can rise above the hardship's life has dealt them and achieve their dreams.

HOW DID THE FOUNDATION START?

An accomplished community icon, former Cincinnati Bengal and member of the Pro Football Hall of Fame Anthony Muñoz has been actively involved in his commitment to make a difference in the lives of local youth in the Greater Cincinnati region. Anthony decided to bring all his charitable initiatives together in April of 2002 to establish the Anthony Muñoz Foundation (AMF), a non-profit organization armed with the mission of engaging the Tri-State region to impact youth mentally, physically, and spiritually.
